

Disability Policy

We use a variety of different venues to host our shows.

Our main home is Wythall Village Hall, but we also currently use Yardley Wood Social Club, Park Hall in Wythall and the Irish Centre in Kings Heath.

Rather than specify disability facilities for venues we do not actually own, we prefer that any prospective guest at one of our shows contacts Sean or Mat at hollywoodcomedyclubb47@gmail.com with their contact details, so that we can arrange a call with you to discuss your specific needs and to answer any questions you may have about the venues, the facilities they provide and their accessibility.

Rest assured, **we will do all that is necessary and more** to ensure you can attend any of our shows without detriment.

If you have a carer to support you, there will be no additional charge whatsoever as your carer support will be granted free entry to all of our shows.

We look forward to hearing from you and welcoming you to Hollywood Comedy Club.

Sean and Mat
